Ethan -

I am, on a scheduled day off that day. I have to work some weekends due to Holiday deployment which forced me to take some weekdays off.

PJ

**Subject:** November Security Meeting

Hello to all,

This months security meeting will be held on Wednesday November 15th at 11am. We will not have the meeting at the Schoolhouse this month due to scheduling conflicts for the room we normally use. Instead we will be hosting it again at our backup location, 1322 N. McCadden Place. A light lunch will be served as usual. Hoping to see everyone there. Please bring us your security concerns and issues and lets problem solve together.
